

FCCE 2020

International Conference on Frontiers of Computers and Communication Engineering

SINGAPORE / JANUARY , 3 - 5 , 2020

ABOUT

FCCE welcomes paper submissions on innovative work from researchers in academia, industry and government describing original research work in Frontiers of Computers and Communication Engineering field. After a careful reviewing process, all accepted papers after proper registration and presentation will be published in International Conference Proceedings Series, which will be indexed by **Ei Compendex and Scopus**.

CONFERENCE TOPICS

- Algorithms and Bioinformatics
- Artificial Intelligence
- Automated Software Engineering
- Bio-informatics
- Bioinformatics and Scientific Computing
- Biomedical Engineering
- Compilers and Interpreters
- Computational Intelligence
- Computer Animation
- Computer Architecture & VLSI
-
- More topics: <http://www.fcce.org/#Themes>

SUBMISSION

MANUSCRIPT (publication) Online submission system
Conference Submission System available at:
<http://confsys.iconf.org/submission/fcce2020>

ABSTRACT (Presentation)
2. Send paper to fcce@iact.net

Template
3. Template available at:
<http://www.fcce.org/template.docx>

IMPORTANT DATE

Submission Deadline: September 20, 2019
(Full Paper and Abstract)

Notification Date: October 14, 2019
(Paper Acceptance Status)

Registration Deadline: October 25, 2019
(camera ready, payment and registration form)

- Geographical Information Systems/
- Global Navigation Satellite Systems (GIS/GNSS)
- Grid and Scalable Computing
- High Performance Computing
- Human Computer Interaction
- Image Processing
- Image Signal Processing
- Information Retrieval
- Information Systems
- Intelligent Information & Database Systems

PUBLICATION

all accepted papers after proper registration and presentation will be published in International Conference Proceedings Series, which will be indexed by **Ei Compendex and Scopus**.
